MEMORANDUM TO : Members of IT Management Club and Guests
SUBJECT : May Luncheon Meeting

Guest Speaker: **Mr Sean Lee, Consulting Partner, Asia Pacific and Japan Region, EMC Global Services**

Topic: **"Software Defined Enterprise"**

Sean Lee has over 15 years of experience in consulting, pre/post-sales, and business development, primarily in New York, Toronto and Hong Kong. As a Consulting Partner in the EMC Global Services organization, he is currently responsible for building CxO level client relationships and managing go-to-market strategies in the Asia Pacific region. He is a frequent speaker at industry conferences, and has worked with many of the world's largest multi-national firms across North America, Europe, Middle East and Asia, focusing on transforming traditional architecture into next generation Cloud and Big Data platforms. Sean holds a Double Major in Computer Science and Mathematics from the University of Waterloo in Canada, and the Executive MBA program from the Chinese University of Hong Kong. He is bilingually fluent in English, Cantonese and Mandarin.

In the May luncheon, Sean will discuss around the opportunity for organizations to revolutionize their business model by establishing software as a core strategy, enabled by private or hybrid cloud solutions.
