

ADVANCED DIPLOMA IN

Wine Business

葡萄酒業務高級文憑課程

THE PROGRAMME

Introduction

Since the abolition of wine duty, Hong Kong has firmly established as the wine drinking capital as well as the regional hub in Asia. The wine business is flourishing and the quality manpower is highly in demand. Thorough understanding of the entire value chain of the wine business is essential for every professional who wants to excel in the trade. Knowledge and techniques such as wine business management, sales and marketing, stock control, cellar management and logistics arrangement are indispensable for working in today's wine industry worldwide.

Objective

This programme aims to provide comprehensive and systematic training to professionals in the wine business. Modules are customized to cover particular demands of the global wine trade and unique features of the wine industry. It emphasizes sound knowledge and professional skills in implementing wine-business management, marketing practices and operations in the wine industry.

Designed for

The diploma targets at executives who are working in the wine business and those who aspire to start their careers in wine business. It also aims at professionals who are working in related fields and those keen to know more about wine marketing, logistics management and trade practices.

PROGRAMME STRUCTURE

The diploma is a part-time programme and comprises 3 modules; each module consists of 6 sessions of 3 hours each and of coursework.

Module 1
International
Wine Industry

Module 2
Wine Business
Management

Module 3
Logistics, Distribution and
Cellar Management
